

Dear Parents/Carers

Today was the funeral and celebration of the life of our much missed pupil, Lewis Wright. As a school, we observed a minute of silence and reflection at 3pm, the same time as Lewis' funeral. In the coming days and weeks, we will be working with the boys to consider how best to remember Lewis as a school community and how to ensure that he stays in our memories and a part of our school for many years to come.

Our love, sympathy and prayers are with all his family and friends.

Lewis Wright

'Child of Courage'

'...his huge smile and sense of positivity inspired everyone around him'

Lewis was loved by so many at Birkdale and will be very sorely missed. We are all very grateful that we got to spend some quality time with him when he returned to school and we are also so glad that Lewis felt that Birkdale was a place where he belonged and felt that he wanted to return to school to see his friends and teachers.

"Lewis' friends meant the world to him and helped him through treatment more than they will ever know."
- Lewis' Mum

Yours faithfully

Mr Gareth Banks
Headteacher
